Turn The Sun Into Cash

Solar Power is more Affordable than you Think

GFC .. makes it possible.. Solar energy from A to Z

What GFC offers you ?

A to Z Solar systems , all you have to do is switch it on!

- Design
- Installation
- Paperwork / Legal procedures
- Maintenance

Why GFC ?

- German technology
- High quality Solar Systems (Photovoltaic)
- Durable solar panels last for decades
- Guarantee of outstanding performance by manufacturers (10 – 25 years)
- Installation
 - Installation included in price
 - Aluminum & stainless steel frames for installation material
 - Components, procedures and safety measures are in line with international standards

Why Solar Energy ?

Economical :

- Enjoy free electricity for a lifetime or at least reduced electricity bills
 - When there is sun you will enjoy free electricity produced by the panels
- Get your money back
 - Surplus of electricity produced by your panels will be forwarded to national grid and will automatically be deducted from your monthly invoice

Reliable

- Sustainable source of energy at a fixed price for a life time
- Installation systems that fit all house designs

Smart

- Attractive designs in many colors and shapes to fit all architectural designs and decoration themes

Social & National Responsibility

- You will be using clean and green energy that is environment friendly
- You will be helping Egypt in its efforts to energy efficiency

Service & Maintenance

- GFC offers a one year free maintenance after installation
- GFC maintenance team will be available within 24 working hours from time of notification of malfunction to our contact numbers
- Ask for your maintenance contract.

LET YOUR HOME WORK FOR YOU
